

Part No.	Description	Price, €
VISOR00S7IE	<p><b>VISOR software</b> Include:</p> <ul style="list-style-type: none"> <li>- "Visor" data viewer application, provides access to a database of saved data, navigation, display and prints them in graphical and tabular representations, as well as the monitoring process variables in real time;</li> <li>- manual.</li> </ul>	0,00
VISOR01S7IE	<p><b>VISOR software &amp; LICENSE for 1 communication channel</b> Include:</p> <ul style="list-style-type: none"> <li>- "Visor_On" communication server application, performing the reading of data from PLC Siemens SIMATIC S7/C7, packing and saving of their in database on the PC hard disk, using Industrial Ethernet TCP/IP;</li> <li>- "Visor" data viewer application, provides access to a database of saved data, navigation, display and prints them in graphical and tabular representations, as well as the monitoring process variables in real time;</li> <li>- special function for data reading synchronously with the PLC scan cycle for Siemens SIMATIC S7/C7;</li> <li>- licence for <b>1 PLC</b> and <b>2048 bytes</b> of read data;</li> <li>- hardware protection USB key "Visor-Key";</li> <li>- manual.</li> </ul>	999,00
VISOR05S7IE	<p><b>VISOR software &amp; LICENSE for 5 communication channels</b> Include:</p> <ul style="list-style-type: none"> <li>- "Visor_On" communication server application, performing the reading of data from PLCs Siemens SIMATIC S7/C7, packing and saving of their in database on the PC hard disk, using Industrial Ethernet TCP/IP;</li> <li>- "Visor" data viewer application, provides access to a database of saved data, navigation, display and prints them in graphical and tabular representations, as well as the monitoring process variables in real time;</li> <li>- special function for data reading synchronously with the PLC scan cycle for Siemens SIMATIC S7/C7;</li> <li>- licence for up to <b>5 PLCs</b> or <b>10240 bytes</b> of read data;</li> <li>- hardware protection USB key "Visor-Key";</li> <li>- manual.</li> </ul>	1 998,00
VISOR10S7IE	<p><b>VISOR software &amp; LICENSE for 10 communication channels</b> Include:</p> <ul style="list-style-type: none"> <li>- "Visor_On" communication server application, performing the reading of data from PLCs Siemens SIMATIC S7/C7, packing and saving of their in database on the PC hard disk, using Industrial Ethernet TCP/IP;</li> <li>- "Visor" data viewer application, provides access to a database of saved data, navigation, display and prints them in graphical and tabular representations, as well as the monitoring process variables in real time;</li> </ul>	2 497,00

	<ul style="list-style-type: none"> <li>- special function for data reading synchronously with the PLC scan cycle for Siemens SIMATIC S7/C7;</li> <li>- licence for up to <b>10 PLCs</b> or <b>20480 bytes</b> of read data;</li> <li>- hardware protection USB key "Visor-Key";</li> <li>- manual.</li> </ul>	
VISOR20S7IE	<p><b>VISOR software &amp; LICENSE for 20 communication channels</b></p> <p>Include:</p> <ul style="list-style-type: none"> <li>- "Visor_On" communication server application, performing the reading of data from PLCs Siemens SIMATIC S7/C7, packing and saving of their in database on the PC hard disk, using Industrial Ethernet TCP/IP;</li> <li>- "Visor" data viewer application, provides access to a database of saved data, navigation, display and prints them in graphical and tabular representations, as well as the monitoring process variables in real time;</li> <li>- special function for data reading synchronously with the PLC scan cycle for Siemens SIMATIC S7/C7;</li> <li>- licence for up to <b>20 PLCs</b> or <b>40960 bytes</b> of read data;</li> <li>- hardware protection USB key "Visor-Key";</li> <li>- manual.</li> </ul>	3 496,00
VISOR30S7IE	<p><b>VISOR software &amp; LICENSE for 30 communication channels</b></p> <p>Include:</p> <ul style="list-style-type: none"> <li>- "Visor_On" communication server application, performing the reading of data from PLCs Siemens SIMATIC S7/C7, packing and saving of their in database on the PC hard disk, using Industrial Ethernet TCP/IP;</li> <li>- "Visor" data viewer application, provides access to a database of saved data, navigation, display and prints them in graphical and tabular representations, as well as the monitoring process variables in real time;</li> <li>- special function for data reading synchronously with the PLC scan cycle for Siemens SIMATIC S7/C7;</li> <li>- licence for up to <b>30 PLCs</b> or <b>61440 bytes</b> of read data;</li> <li>- hardware protection USB key "Visor-Key";</li> <li>- manual.</li> </ul>	4 495,00
VISOR05TLS7IE	<p><b>VISOR software &amp; TIME-LIMITED LICENSE for 5 communication channels</b></p> <p>Include:</p> <ul style="list-style-type: none"> <li>- "Visor_On" communication server application, performing the reading of data from PLCs Siemens SIMATIC S7/C7, packing and saving of their in database on the PC hard disk, using Industrial Ethernet TCP/IP;</li> <li>- "Visor" data viewer application, provides access to a database of saved data, navigation, display and prints them in graphical and tabular representations, as well as the monitoring process variables in real time;</li> <li>- special function for data reading synchronously with the PLC scan cycle for Siemens SIMATIC S7/C7;</li> <li>- licence for up to <b>5 PLCs</b> or <b>10240 bytes</b> of read data, with <b>3 weeks</b> working time limit;</li> <li>- hardware protection USB key "Visor-Key";</li> <li>- manual.</li> </ul>	<p>by agreement</p>
